

# Presentation Guidelines

Please check the following information related to your presentation.

## Conflict of Interest (COI) Disclosure

If the research included in your presentation was financially supported by any companies or other for-profit groups, you must indicate their role in analyzing the data or preparing the abstract. In oral presentation, COI status of your abstract must be shown in the 2<sup>nd</sup> slide (after the title slide). In poster presentation, it should be at the end of the poster. Samples of the disclosure slide are available on the ICDM website:

If you have not submitted slides in time, please come to the 'Preview Room' located at the Peacock Room, 2F, Hotel, Grand Hilton no later than 2 hour before your session and you can submit and modify lecture slide.

## For Presenters Using Their Own Laptop PC
